The Thing About Bees: A Love Letter

Written and illustrated by
Eric-Shabazz Larkin

★ “Starred” review
 “In a holistic—and wholly original—treatment, Larkin spins a buoyant monologue to his (actual) young sons about why bees are to be valued and how they are analogous to rambunctious children; the narrative is threaded with unconditional love for both subjects.”
 —*School Library Journal*

GROWING FOOD + COOKING

Zora's Zucchini

Katherine Pryor
